

Reach one of the most sought after groups of consumers in the Reno area with an ad in the *Caughlin Rancher*.

This upscale full color glossy magazine is the official newsletter of the Caughlin Ranch Homeowners Association (CRHA). Each quarter we will feature a cover story about an interesting area resident or business owner to draw the reader in. Other content may include area school news, recipes and timely information from the CRHA that is pertinent to every resident. The CRHA has stated that the *Caughlin Rancher* is their best resource for getting information out to the residents and has found that because it contains timely news about the community, it is very well-read.

The magazine will be mailed bi-monthly to every resident of Caughlin Ranch and will also be available for free pick-up at area businesses. Total distribution: 3,000.
